A disadvantaged owner must be a U.S. Citizen (or resident alien). Presumptive groups include: Women, Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, Subcontinent Asian-Americans, or other minorities designated to be disadvantaged by Federal regulations or any individual found to be socially and economically disadvantaged on a case-by-case basis.

Only persons having a personal net worth of less than \$1,320,000 can be considered as a potential qualified DBE.

A firm (including affiliates) must be a small business as defined by the Small Business Administration. It must not have annual gross receipts over \$22,410,000 in the previous three fiscal years.

Must be a for-profit small business concern where socially and economically disadvantaged individuals own at least 51% interest, control management AND daily business operations.

The business must not be affiliated to another firm in such a way as to compromise its independence and control and possess the power to direct or cause the direction to the management and policies of the firm and to make day-to-day decisions.
